

GET WEIRD THIS

XMAS

AT **JUNKYARD**

THE CRAZIEST GOLF, EPIC COCKTAILS AND A WHOLE LOAD OF WEIRD JUNK.

Get weird this Christmas with the craziest golf, epic cocktails, and a whole load of weird junk!

Battle through insane 9-hole crazy golf courses packed with cage fighting grizzly bears, auto-junk disco dens, stolen toxic speedboats, creepy clowns and mind-bending mirror rooms.

Choose from 3 mashed-up courses at the craziest golf club in the world.

LOSER BUYS THE DRINKS

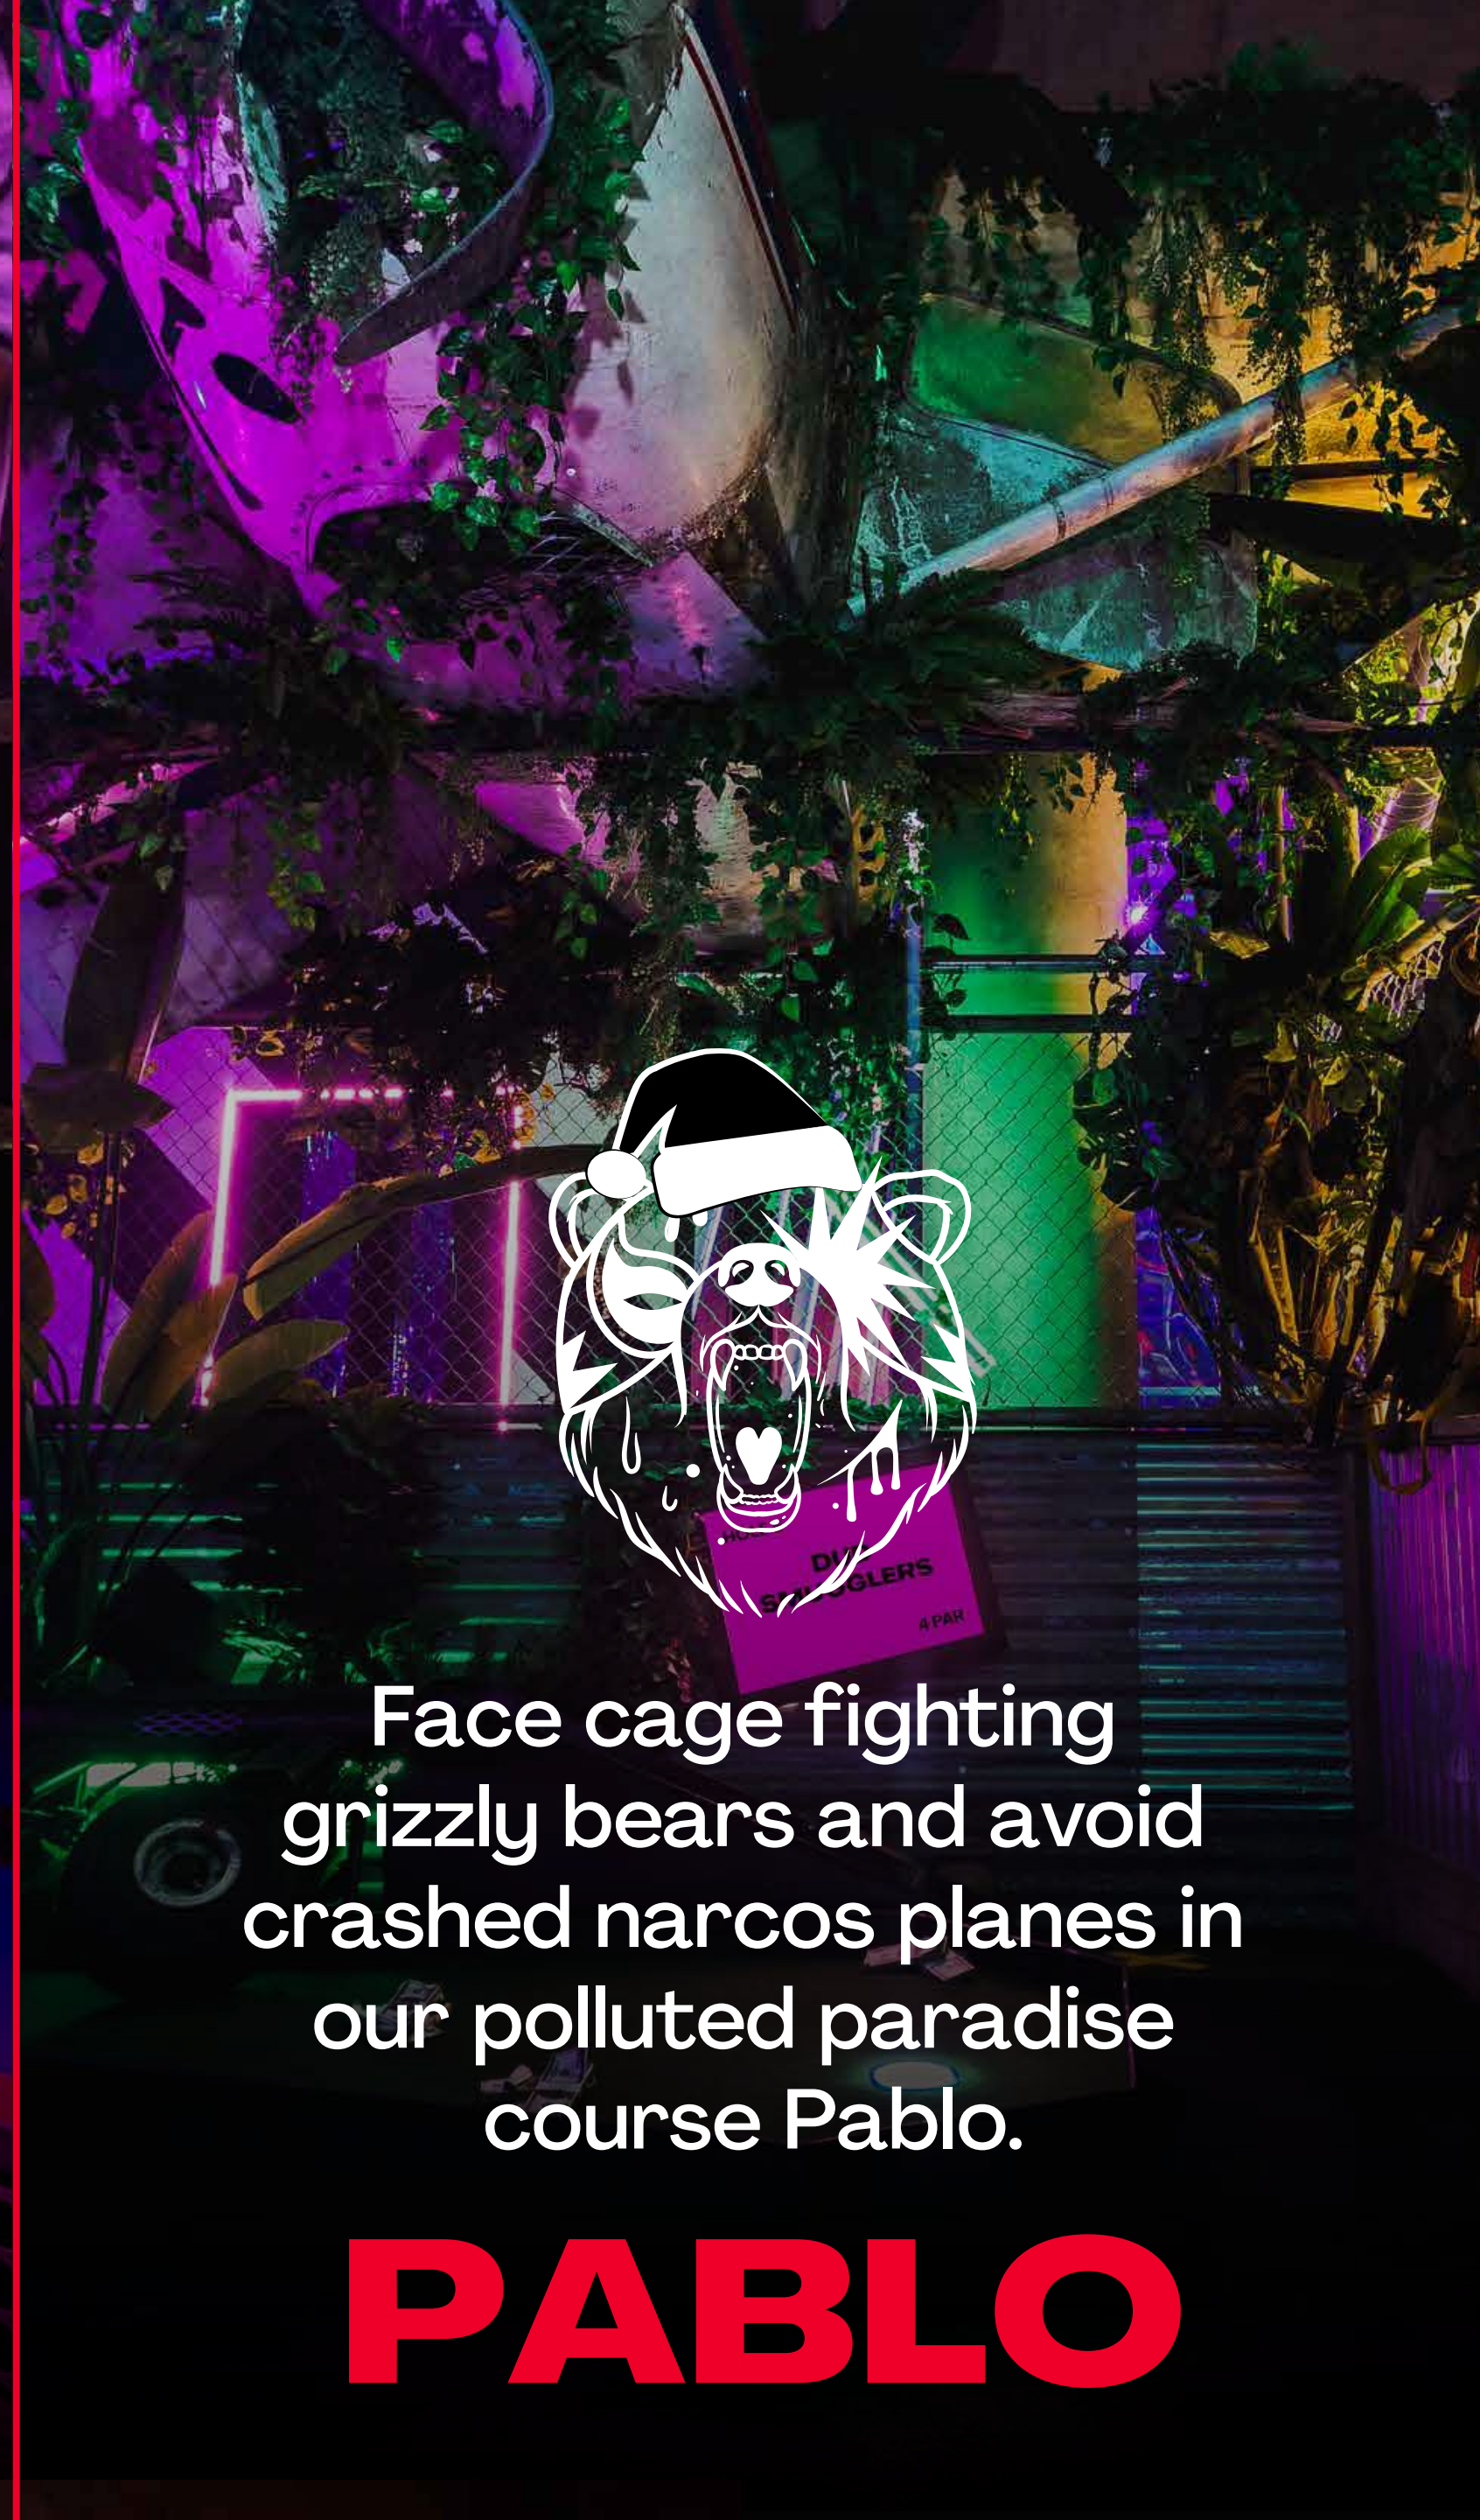

Our bars are more like night clubs than golf clubs, with over 20 epic cocktails, including the Disco Is Dead, Fizz Pop, or Toxic Waste to keep the party going.

Whether you care about winning or are just in for the ride, remember, the loser always buys the drinks.

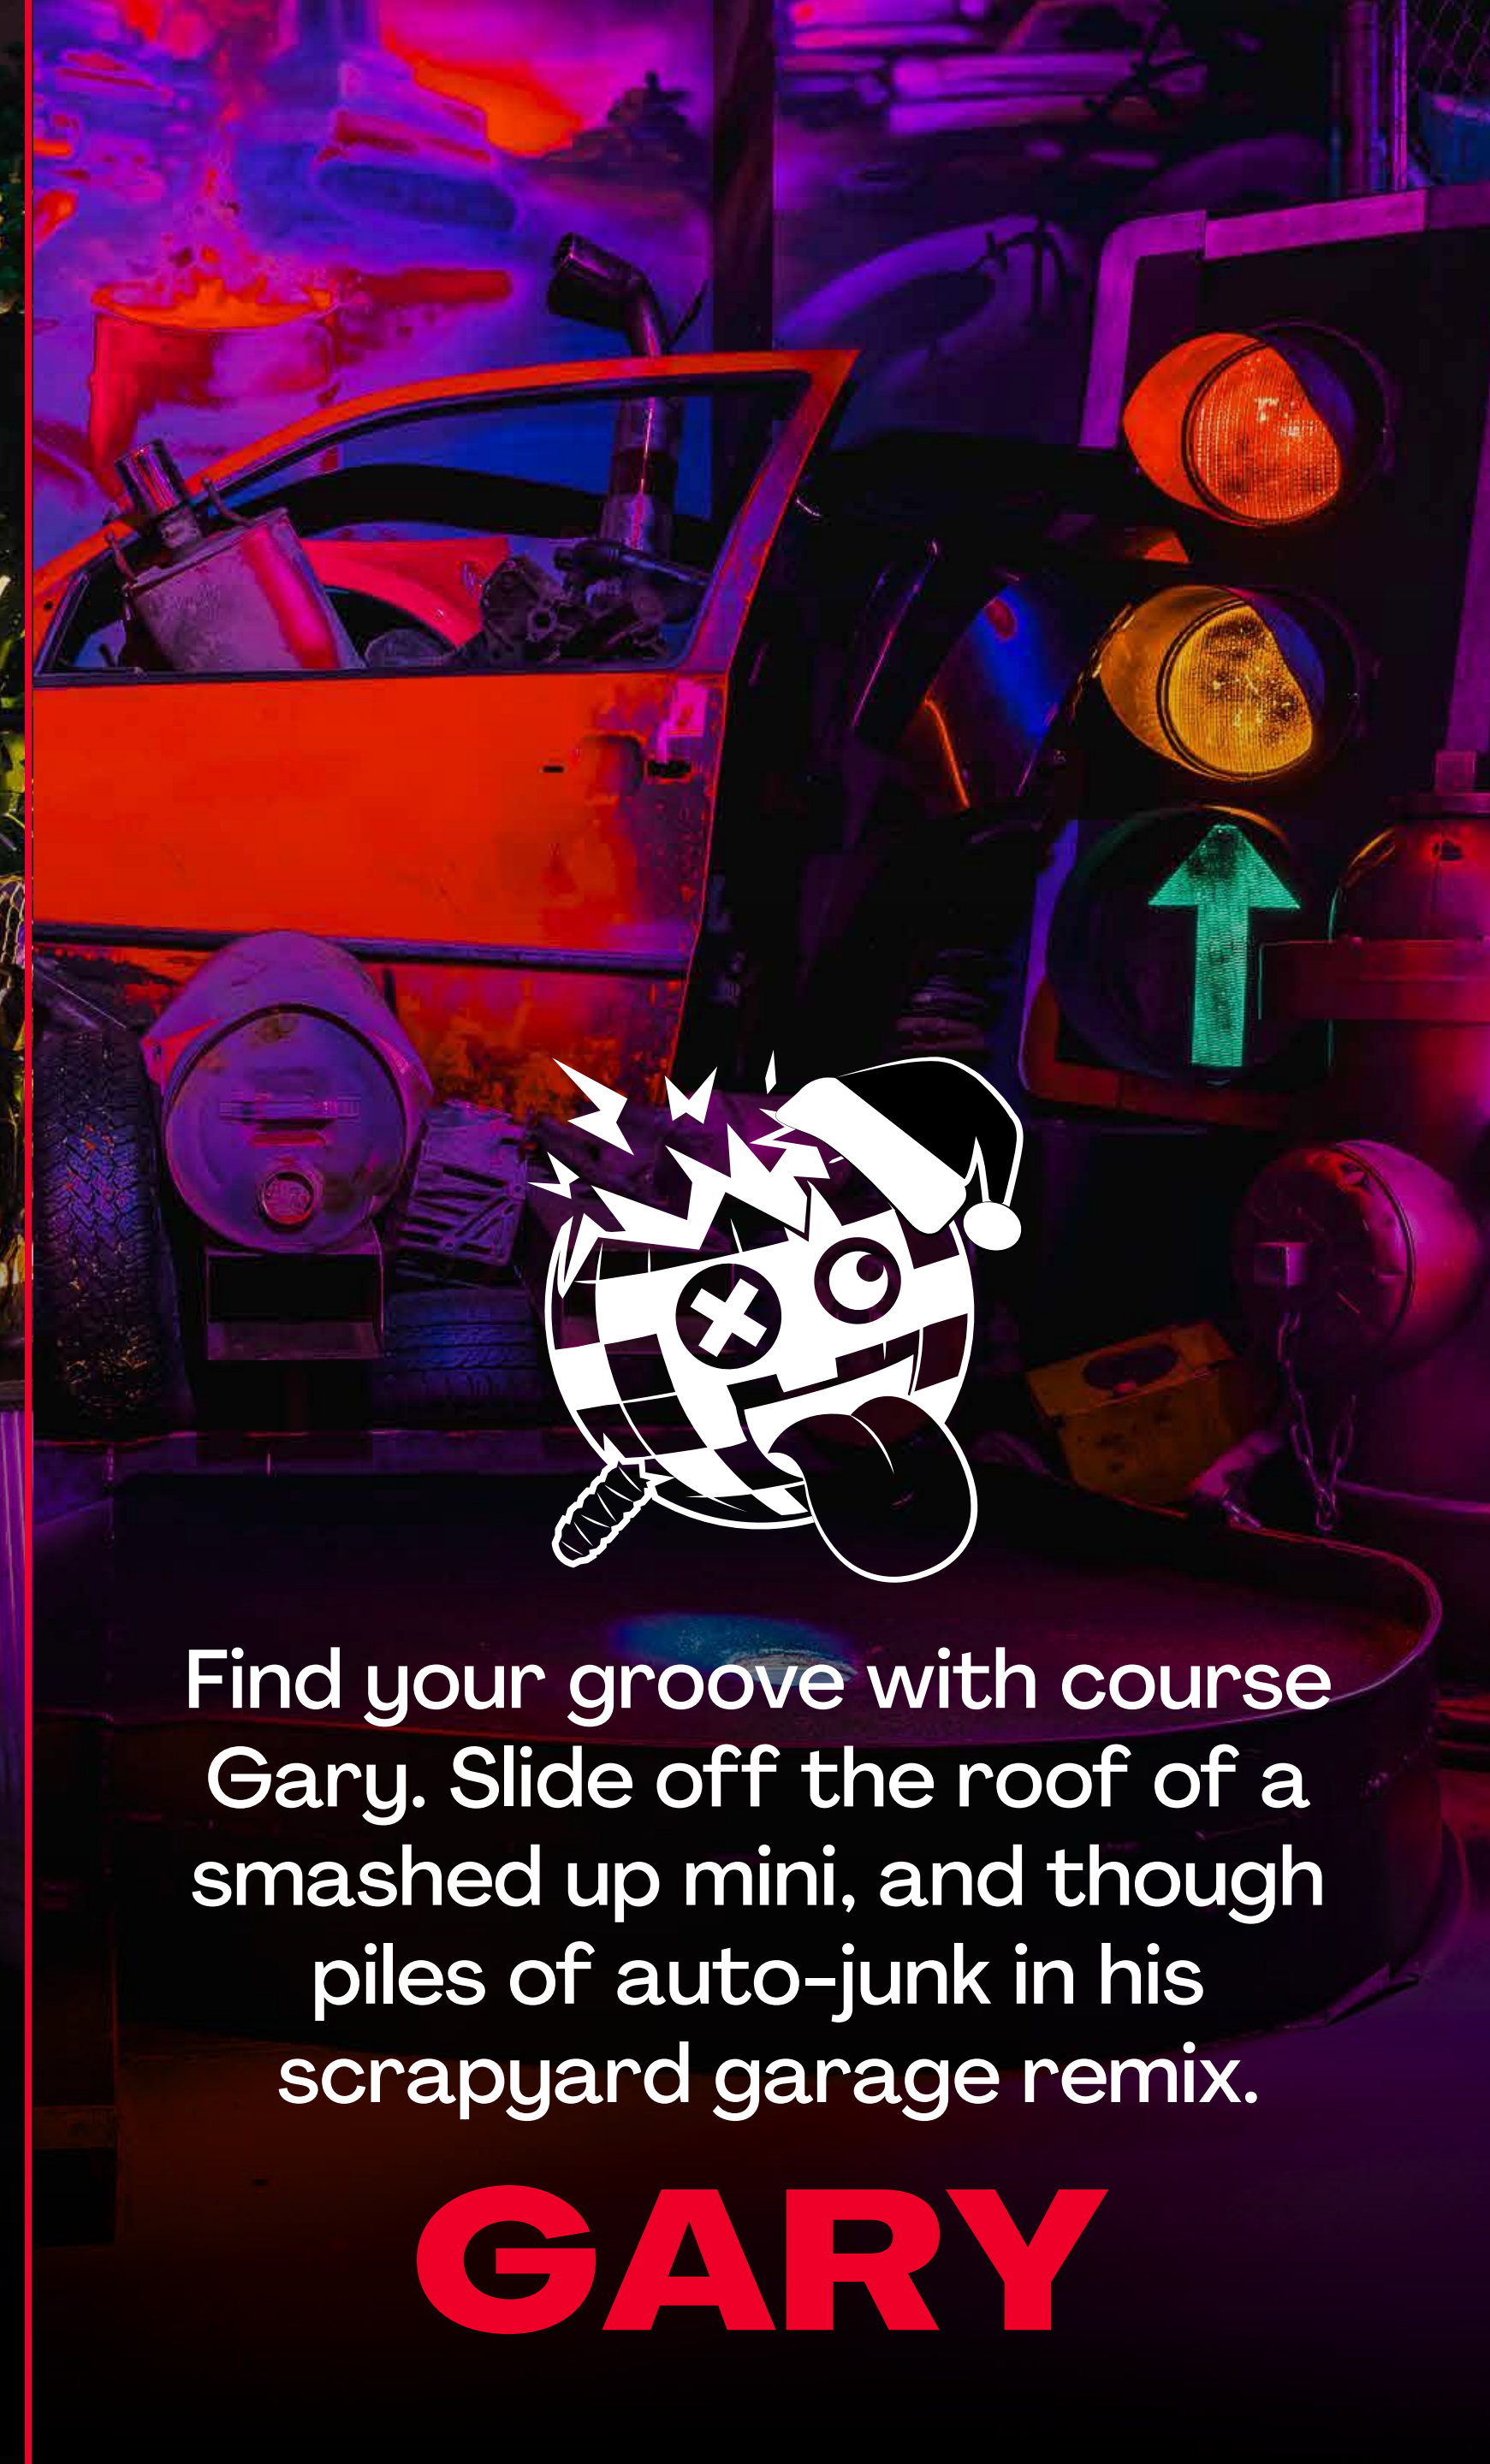

Putt past creepy clowns, through ferris wheels and over carousels of fear in our dystopian FEARground course Bozo.

BOZO

Face cage fighting grizzly bears and avoid crashed narcos planes in our polluted paradise course Pablo.

PABLO

Find your groove with course Gary. Slide off the roof of a smashed up mini, and though piles of auto-junk in his scrapyard garage remix.
